2024: Weaving in the Peach State

Jury Guidelines

Teachers may submit their baskets for jurying using photographs.

PHOTO REQUIREMENTS:

Background:

Use a solid white background when photographing your basket (poster board taped together works well) and avoid basket shadows on the background. Since we do not have your basket on hand for jurying, multiple angles would be helpful.

Format: Save photo in **JPEG** format, using the finest quality setting on your camera and **do not reduce the size or crop** the photo.

Place a standard 12 oz soft drink can next to the basket to show the student the relative size. For miniatures, please use a quarter alongside your basket. All photos must have white backgrounds.

Keep in mind that one of the photographs you submit will be one that is featured in the convention booklet, should your submission be selected by the jury.
