Basket #1

Andrew Lee

Folded Bark Basket

All levels

\$75

Description: A pre-dried and folded piece of poplar bark will be provided and students will choose from an assortment of natural materials to attach a handle & rim trim, as well as various embellishments. Students will complete at least one basket during the workshop. All tools and materials will be provided.

Basket #2

Ginny Shepherd

Look at Me

Intermediate

Cost: \$69

Size: 10"H x 15"W woven on a 12" Wooden Base

This beautiful basket is all about the shape which I refer to as Big Belly Design. There will be several color choices available. The overlays and unique rim makes it a really fun basket to weave. The handles are specially designed to complement the unique size and shape.

Basket #3

Karen Gramenz

Pattie Hawkins' Small Stained Glass Windows Tote

All Levels

Cost \$45

Size - 10" x 5" x 14" (with handle)

From Karen: Patti Hawkins (Kolodziej) is a very well-known basket designer and teacher and a friend of mine! When Patti designed this basket, she was looking for a functional tote that was fairly easy to make but with some "pizzazz!" You can do the overlays in the same color, in different colors, or in natural (which provides lovely texture). You tell me your color choices for the overlay (karengamenz@yahoo.com) and they will be included in the kit. Limit 6.
